All Kits Include:

Foil vapor barrier, cedar for walls, ceiling, benches, corner molding, inside door casing and heater guard fence.

Nails, screws, marine light.

Door and standard Heater & control or optional upgrade as selected.

Options

Each Kit includes certain features regarding cedar, benches and heater. Regardless of Kit selected, you may choose from several upgrades and options.

Popular Upgrades include:

Popular Heater upgrades are Sauna Craft CW-XR with EL-13 and Tylo Combi Steaming heater.

Many like the standard frameless glass doors. Others prefer more traditional with cedar frame.

Bench skirting and backrests are one way to dress up your sauna.

We offer a wide selection of sauna buckets and ladles.

Cedar Floor:

Optional "duckboard" slatted floor boards cover the walking (not under heater or benches)

About half our customers add cedar floor. Most tile the floor and prefer to leave tile exposed.
