

Why EliteSteam

EliteSteam makes the luxury of an in-home steam shower surprisingly affordable and delivers dependable quality backed by the leading manufacturer of steam and sauna products for more than 60 years.

EliteSteam has created a steam shower that is both easy to buy and built for years of dependable operation. Made in the USA by one of the foremost manufacturers of steam showers in the world, EliteSteam provides the industry's most popular features and high-quality steam — all delivered in a streamlined buying process and reduced price point

Our Bundles Save You Time And Money

EliteSteam steam shower bundles have everything you need for quality steam. EliteSteam generators come in four preconfigured sizes, sufficient for showers both big and small. Adding a steam shower system to an existing bathroom is surprisingly simple because the generator's compact design permits installation in almost any small space near the shower, such as a vanity or closet.

| Model No. | KW Rating | Maximum Cu. Ft | Volts/Phase | Amps/ Breaker | * 90c Copper | Dimensions L x W x H |
|-----------|-----------|----------------|-------------|---------------|--------------|----------------------|
| ES 7 | 7.5 | 250 | 240/1 | 31/40 | 8 | 15" x 6" x 15½" |
| ES 10 | 10 | 450 | 240/1 | 42/50 | 8 | 15" x 6" x 15½" |
| ES 12 | 12 | 550 | 240/1 | 50/60 | 6 | 17¼" x 7½" x 15½" |
| ES 15 | 15 | 675 | 240/1 | 63/80 | 4 | 17¼" x 7½" x 15½" |
